### **About the Indiana High School Athletic Association, Inc. (IHSAA)**

*The IHSAA is a voluntary, not-for-profit organization that is self-supporting without the use of tax monies. Since its founding in 1903, the Association's mission has been to provide wholesome, educational athletics for the secondary schools of Indiana. Its 410 member high schools - public, institutional, parochial and private - pay no annual membership fee or incur entry fees to play in the Association's tournaments. A state tournament series is conducted annually in 21 sports, 10 for girls, 10 for boys and one co-ed (unified track and field). A 19-person board of directors, elected by member school principals, governs the organization.*
