Stage Set for 2017 IHSAA Girls Basketball State Tournament

From Bankers Life Fieldhouse in Indianapolis, the opening week's pairings were made this evening for the 42nd Annual IHSAA Girls Basketball State Tournament *presented by the Indiana Fever and Indiana Pacers*.

Sectional games are scheduled to begin Tuesday, Jan. 31, and run through Saturday, Feb. 4, with the regional round slated for Feb. 11 and semi-states on Feb. 18. The four state championship games that make up the state finals will be played at the Bankers Life Fieldhouse on Saturday, Feb. 25.

Class 4A top-ranked North Central of Indianapolis drew home-standing Warren Central in Sectional 10.

North Harrison, the top-ranked team in Class 3A and last year's state runner-up, will take on Silver Creek in the opening game of Sectional 30 at Corydon Central.

Whitko, the top-ranked team in Class 2A, is matched up with Fremont in the first game of Sectional 35 at Central Noble.

Argos, the top-ranked team in Class A and last year's state runner-up, drew a Wednesday opening round game against Triton in Sectional 51 at Culver Community.

Among last year's state champions, Class 4A ninth-ranked Penn will begin defense of its crown against Goshen, the host of Sectional 4.

Class 3A third-ranked Heritage Christian, which has won three consecutive state championships and 20 consecutive tournament games will take on Delta in Sectional 24 at Tipton.

Lafayette Central Catholic, winner of two consecutive state titles but unranked in the current Class 2A poll, drew the bye in Sectional 38 and will meet the South Vermillion-Covington winner in the semifinals.

Defending Class A champion and third-ranked Jac-Cen-Del will play host to Waldron in Sectional 60 in a Wednesday first round game.

About the Draw

To conduct the random drawing for the girls basketball state tournament, the IHSAA places ping-pong balls representing each school in a given sectional into a lottery-style air mix machine. A motorized fan in the bottom of the machine blows the balls around the inside of the transparent container and air then forces each ball up through a tube in random order. For example, the first ball retrieved from the machine will be the visiting team in game one with the second ball representing the home team in game one. The third ball to come out is the visitor in game two and the fourth ball the home team in game two. That same method is followed through all 64 sectionals and 16 regionals.

Since its founding in 1903, the Association's mission has been to provide wholesome, educational athletics for the secondary schools of Indiana. Its member high schools - public, institutional, parochial and private - pay no annual membership fee or incur entry fees to play in the Association's tournaments. A state tournament series is conducted annually in 21 sports, 10 for girls, 10 for boys and one co-ed (unified track and field). A 19-person board of directors, elected by member school principals, governs the organization.
