Pairings Unveiled for Boys Basketball State Tournament

Indiana Pacers, Fever Begin Presenting Sponsorship of State Tournament

Four hundred three (403) teams were drawn today and placed into brackets for the 104th Annual IHSAA Boys Basketball State Tournament *presented by the Indiana Pacers and Indiana Fever.*

As announced February 1, this is the first year that both of the state's professional basketball franchises have been presenting sponsors of both boys and girls state tournaments.

Sectional games are scheduled to begin Tuesday, March 4, and run through Saturday, March 8, with the regional round slated for March 15 and semi-states on March 22. The four state championship games that make up the state finals will be played at Bankers Life Fieldhouse in Indianapolis on Saturday, March 29.

Carmel is the two-time defending Class 4A state champion and the top-ranked team in the most recent poll from the Associated Press as well as the Indiana Basketball Coaches Association. The Greyhounds will begin their quest for a third consecutive title against Zionsville in Sectional 8 at Noblesville.

Greensburg, the top-ranked 3A team and defending state champion, will host South Dearborn in the Sectional 29 opener.

In Class 2A, top-ranked Park Tudor drew a bye into the semifinals and awaits the Heritage Christian-Indianapolis Shortridge winner in Sectional 42 at Indianapolis Broad Ripple.

And in Class A, No. 1 Barr-Reeve will meet North Daviess in Sectional 63 at North Daviess.

Among the other defending state champions, Bowman Academy, last year's winner in Class 2A and state runner-up in 2012, will now play in Class 3A due to the Tournament Success Factor. The Eagles are currently ranked No. 2 in 3A and will meet Lighthouse CPA in Sectional 17 at Hammond Clark.

Borden, the defending state champion in Class A, drew a bye into the semifinals and will host the Rock Creek Academy-South Central (Elizabeth) winner in Sectional 62.

Lafayette Central Catholic (Class A) leads the state with 12 consecutive sectional championships. Triton (also Class A) is next having won six in a row.

About the Draw

To conduct the random drawing for the girls basketball state tournament, the IHSAA places ping-pong balls representing each school in a given sectional into a lottery-style air mix machine. A motorized fan in the bottom of the machine blows the balls around the inside of the transparent container and air then forces each ball up through a tube in random order. For example, the first ball retrieved from the machine will be the visiting team in game one with the second ball representing the home team in game one. The third ball to come out is the visitor in game two and the fourth ball the home team in game two. That same method is followed through all 64 sectionals and 16 regionals.
