## **HOT-SHOOTING DELIVERS FIRST TITLE FOR MATER DEI**

Evansville Mater Dei got a balanced effort scorching the nets throughout the game and walked away with the Class 3A state championship after its 63-45 victory over Belmont at Conseco Fieldhouse in Indianapolis.

The two schools are very familiar with one another on the wrestling mat sharing 13 state championships between them, but it was the first time they've faced off in the state hardwood tournament with Mater Dei claiming its first title in boys basketball.

The unranked Wildcats (21-6) got 17 points from Wacey Hall, who finished six-for-seven from the field, 12 points from Matt Halbig and 10 from Craig Maier. Mater Dei finished the game shooting nearly 53 percent from the field, including a second half effort where they connected on eight of their 13 shots. They also hit six of 13 from three-point territory.

On the other hand, seventh-ranked Belmont (22-5) struggled from the field, particularly in a 5-for-21 first half, which resulted in a 33-16 deficit at halftime. The Braves found the range in the second half scoring on 12 of their 25 attempts but could never get closer than 14 points at 56-42 with 1:27 to go. Adam Arnold's 21 points led the Braves, who were making their initial appearance in the state finals.

Mater Dei finished as the state runner-up in Class 3A in 2001, dropped to 2A for the 2002 and 2003 seasons before the latest reclassification bumped them back up to 3A once again this year. The Wildcats were coached by John Goebel, in his second year with the team, while Belmont was directed by sixth year coach Shaun Busick.

With four starters returning for each squad next year, both teams should have the ammunition for another tournament run a year from now.

## **Class 3A Championship Game Quotes**

### **Evansville Mater Dei Coach John Goebel**

"I'm proud of these guys. Just a few weeks ago, I'm not sure anyone, including ourselves, would have dreamed the Mater Dei basketball team would have been the 3A state champs. It was a true compliment to our team and our program. It was a total team effort. We rotated 10 guys. Whether everyone got in for five minutes or just 30 seconds, they contributed."

"We did what we wanted to do in the first quarter. We pounded the ball inside and got them into a little bit of foul trouble. One of the things we learned this year is how to play with a lead and be patient and to work for the right shot."

"We had good defensive intensity most of the game. Bellmont helped us out because they weren't hitting the shots we've seen them hit on tape all year long. It wasn't their night and that helped us. Defensively we came out and got on their perimeter shooters but we also were able to recover and helped out inside. We played as an aggressive half court defense as we have played all year long."

"We finished 21-6 and that's a testament to the quality of basketball in southern Indiana. Some of the schools in the area and in Evansville play an intense, physical game. That helped us tonight. This win was for all the teams down south."

### **Bellmont Coach Shaun Busick**

"First of all, let's give credit where credit is due. Mater Dei is a tremendous basketball team with a lot of weapons. They hit almost 50% of their 3's, they out-rebounded us 31-23, and they shot 53% from the field—that's your ballgame."

"They were a little less in awe of the place (Conseco Fieldhouse) than we were. I think our kids battled the whole night. I don't think they beat us in any effort areas, but they did beat us in the areas that count and that would be defensive rebounding and contesting shots. We didn't recover defensively like I thought we should have."

(On the play of Mater Dei's Wacey Hall)

"We tried to go right at him (Wacey Hall), inside, unfortunately we just could not get a call. We wanted to go right at him when they put him back in with two fouls to try to get a third foul on him. But, give him credit, he played intelligently. He didn't swat anymore and went straight up to contest shots."

"We had to take (Brian) Shultz out in the first quarter and that hurt a little bit because he helps our inside-outside game. Even though Brian is our biggest kid, he's more of a guard. When we took him out I thought they went on a little bit of a run. We made some bad decisions with the ball, particularly right at the end of the first quarter when we had the ball down 12-10 with a chance to either tie or take the lead. That was kind of a turning point."

"We wanted to start off in a zone because all they had seen us play was a man-to-man. They handled it very well. Unfortunately, we didn't adjust as well to what they were doing."
