REPORTS

8) IIAAA PROPOSALS – SOCCER AND BASKETBALL MERCY RULE AND LENGTH OF SUB-VARSITY CONTESTS

Goshen Athletic Director Larry Kissinger and Speedway Athletic Director Brian Avery, both representing the Indiana Interscholastic Athletic Administrators Association (IIAAA), spoke to the pair of rules proposals listed below.

Soccer Mercy Rule Proposal:

A Five Nine (5-9) Goal-Differential Rule is in effect for the IHSAA tournament and regular season play. On a goal that would make the game score a five (5) goal difference, a running clock will be initiated immediately upon the scoring of that goal. The only time the clock would stop would be for an injury requiring attention on the field based on the judgement of the official. This game would never return to normal clock management. After the first half is completed, a game shall be terminated when a team is ahead by nine (9) goals or more.

Basketball Mercy Rule Proposal:

At all levels of play and in the IHSAA tournament, a running clock will be initiated after the first half when one team has a lead of thirty (30) points or more. The clock shall revert to the regular game timing should the score be reduced to a twenty (20) point lead or less. During running clocks mode, the clock shall be stopped as normal for all time outs and between the third and fourth quarter, as well as free throws during the games final two minutes.

As in football, there should be a six (6) quarter allowance for players after the point differential has been reached.

Length of Contest Proposal for Non-Varsity Team Sports:

For IHSAA team sports, schools can mutually agree to shorten the length of non-varsity level contests. Soccer already has a rule in place so the idea would be extend similar rules to baseball, basketball, football, softball, and volleyball, For example, but not specifically:

Baseball and Softball: 5 inning contests

Basketball and Football: one extra quarter or one half contests

Volleyball: one set contests

No decision was made on these proposals but will be considered and voted upon at the June 25, 2021 meeting.
