AGENDA

FOR ACTION

1) MINUTES

The minutes of the May 4, 2020 meeting were recommended for approval.

A motion for approval was made by Mike Whitten; seconded by Tim Grove; motion approved 17-0.

2) EMERGENCY TEMPORARY BY-LAW PROPOSAL RULE 18-7 & 54-6

Commissioner Bobby Cox and Attorney Bob Baker reported on the emergency temporary amendment to Rule 18-7 Alternative Courses, Section (d), Virtual Course and 54-6 Special Pre-Season Events.

18-7

1. The following is a proposed amendment to Rule 18-7. This is necessary to deal with the number of cases we're seeing where Schools want to allow students to take most of their courses online. It will permit the Commissioner to alter the minimum number of Virtual Courses a student may take during a grading period (currently Thirty percent (30%)). But it also limits the alteration by requiring all students to attend a minimum of One (1) full credit course at the School during any grading period. Note that without this amendment, the Commissioner would be unable to make any changes to rule 18 under the waiver rule (17-8.1) because that rule cannot be used to waive the provisions of several rules, including rule 18.
 - d. Virtual Course: A student may earn course credits by attending a non-traditional Virtual Course provided:
 - (1.) written request for approval of the Virtual Course is made to the IHSAA, including a detailed description, and is approved by the Commissioner;
 - (2.) the Virtual Course is approved by the Department of Education;
 - (3.) the local School Board of Trustees counts the credits earned in a Virtual Course towards graduation;
 - (4.) Virtual Course classes are taken concurrently with a student's regular classes;
 - (5.) total class time of a Virtual Course is equivalent to the student's regular course, and
 - (6.) the total number of Virtual Courses enrolled in and attended by a student during a Grading Period may not exceed Thirty percent (30%) of a student's total course load.

[However, upon application from a member School, and for good cause, the Commissioner can alter the percentage a School's students' total course enrollments may be Virtual Courses during a Grading Period.](#)

54-6 Special Pre-Season Events

a. During the pre-season a School:

- (i) may participate in One (1) Varsity football Controlled Scrimmage or in Two (2) quarters of One (1) Varsity football Jamboree, and**
- (ii) may participate in One (1) Sub-Varsity Controlled Scrimmage**

b. Controlled Scrimmages.

- (i) Varsity: A School's Varsity football Controlled Scrimmage can be played no earlier than the day following the fifth (5th) day of Practice and no later than the second (2nd) calendar day prior to the first (1st) scheduled Season Contest.**
- (ii) Sub-Varsity: A School's Sub-Varsity football Controlled Scrimmage can be played no earlier than the day following the fifth (5th) day of Practice and no later than the second (2nd) calendar day prior to the first (1st) scheduled Season Contest. A student can participate in no more than One (1) of the following: either a Varsity Controlled Scrimmage, a Sub-Varsity Controlled Scrimmage or a Jamboree. The number of plays in which a School can participate in a Sub-Varsity football Controlled Scrimmage is limited.**

c. Jamboree. A School's Varsity football Jamboree can be played on Saturday of Week 6. Each School shall be limited to playing no more than Two (2) quarters. The number of plays in which a School can participate in a Jamboree is limited.

A motion to amend the above by-laws was made by Jim Brown; seconded by Jeff Doyle; motion approved 18-0.

A motion to approve these changes as amended was made by Nathan Dean; seconded by Patti McCormack; motion approved 18-0.

3) APPROVAL OF FULL MEMBERSHIP FOR LIGHTHOUSE CHRISTIAN ACADEMY, BLOOMINGTON

6) APPROVE THE 2020-21 FOOTBALL TOURNAMENT SERIES

Assistant Commissioner Robert Faulkens reported on the general format, sites and other preliminary plans for the 2020-21 Football Tournament Series.

With the consolidation of the two 5A Elkhart schools forming a new Elkhart High School this year, that school has been assigned to Class 6A, Sectional 2. This action moves Carmel from Sectional 4 to Sectional 5 and the southern semi-state bracket and drops Zionsville, previously the smallest 6A team, to 5A this season (Sectional 12).

Also beginning this fall, the state finals matchups, dates, and times won't necessarily be played in its usual 1A, 3A, 5A format on one day and 2A, 4A, 6A format the other day. If matchups allow, schools from a similar geographical area may be grouped into consecutive games or at least on the same day. The playing schedule will be announced following semi-state play.

A motion for approval was made by Brian Strong; seconded by Stacy Adams; motion approved 18-0.

 - 8 plays on both offense and defense from the -35 yard line
 - Total of 56 plays available to be used by junior varsity and/or freshmen.

The above proposal would go into effect for the upcoming 2020 season, so a vote was taken today.

A motion for approval was made by Tim Grove; seconded by Victor Bush; motion approved 17-1 with John Steinhilber dissenting.

Proposal 2020:

The Indiana Football Coaches Association seeks to sponsor and pilot 8 man football as an IHSAA fall sport offering to begin in the fall of 2021.

8 Man Football to be offered to any school with an enrollment of less than 300 total students and would like to start an 8 man football team and is not currently playing 11 man football.

2020-2021 School year – Recruit 16+ schools currently not playing football to commit to starting 8 man football to participate in the fall of 2021.

- IHSAA in partnership with IFCA will send out surveys to IHSAA schools to identify interest.
- The IHSAA and the IFCA will work with interested schools to:
 - Guide initial set up and format planning.

- Provide resources and guidance for schools and coaches to use for how to navigate the different rules, run an offense, defense, kicking game, conduct efficient practices, etc.
- Seek grant money for start-up costs, and develop a program for donating and sharing of protective equipment. (USA Football, NIKE, Adidas, Div.1 programs).
- Work with pool of schools to develop a full schedule for 2021 season to include out of state games, common game locations (4 games at 1 site in 1 day) and other scheduling obstacles.
- Develop a tournament format that concludes the weekend of week 10 of IHSAA football regular season. (Bye week for class 6A and 5A).
- Work with schools to address questions and concerns as they pilot an 8 man football season.
- Begin playing 8 man football in fall of 2021.

Proposal 2022:

Our membership seeks to add two divisions of 8 man football to the current IHSAA sport offerings to begin in fall of 2023.

Structure

Division 1 to include any school with an enrollment of less than 300 total students and would like to start an 8 man football team or move from 11 man to 8 man football with evidence of declining enrollments, participation trends, etc.

Division 2 to include any school with an enrollment of 300 or more total students who would like to start playing 8 man football or who currently plays 11 man football and would like to move to 8 man football.

- Eligible schools must notify the IHSAA of their intention to start/move to 8 man football /11 man football by **December 1** prior to year of reclassification cycle in IHSAA calendar.
- Schools who currently play 11 man football and wish to drop to 8 man football will have to provide evidence of declining enrollment and or declining participation trends in middle school and youth programs to the IHSAA. The IHSAA will determine the validity of the data to recommend playing 8 man or 11 man for the next classification.
 - IHSAA will consider each school on a case by case basis as it relates to school enrollment data, football program participation rates, feeder school and youth program participation rates and other circumstances that influence the number of eligible student athletes wanting to participate in football.
 - The IHSAA will also consider such program policies such as roster limitations, eligibility restrictions and other qualifications that impact participation rates.
- Schools would be required to play in a classification (8 man or 11 man) for a two year cycle. This includes new football playing schools.
- Once schools are classified as 8 man or 11 man football teams, the IHSAA will classify the 11 man football teams as follows:
 - 32 largest schools in class 6A
 - 32 smallest schools in class 1 A
 - 64 teams in class 2A, 3A, 4A.
 - Class 5A will be adjusted with the remaining schools

The 11 man football tournament will be played as usual with bye weeks in class 5A.

- 8 Man Football Division 1
- 8 Man Football Division 2

There will be separate 8 man tournaments for each 8 Man division, each to conclude the weekend of week 10 (1st round of 11 Man tournament).

The rule proposal on eight-man football will be considered by the Executive Committee and voted upon at its August 25, 2020 meeting.
