Baseball, Softball Sectional Assignments announced for 2020, 2021 seasons

Earlier today, the IHSAA Executive Committee approved the sectional assignments in baseball and softball for the next two school years.

The Executive Committee accepted the recommendations of the realignment committee which determined the sectional groups for the 2019-20 and 2020-21 school years. Both lists are linked below.

The Baseball and Softball Realignment Committee was one of four groups of school administrators to realign each of the team sports and represented each IHSAA district and class along with members of the state athletic administrators association and respective coaches associations.

Tournament host sites in both sports, along with other spring sports, will be announced in February.

Sectional assignments for the other team sports, along with enrollments and classifications may be found here:

About the Indiana High School Athletic Association, Inc. (IHSAA)

The IHSAA is a voluntary, not-for-profit organization that is self-supporting without the use of tax monies. Since its founding in 1903, the Association's mission has been to provide wholesome, educational athletics for the secondary schools of Indiana. Its 412 member high schools - public, institutional, parochial and private – pay no annual membership fee or incur entry fees to play in the Association's tournaments. A state tournament series is conducted annually in 22 sports, 10 for girls, 10 for boys and two co-ed (unified flag football and unified track and field). A 19-person board of directors, elected by member school principals, governs the organization.
