Defending Champions Return in Girls Golf State Finals

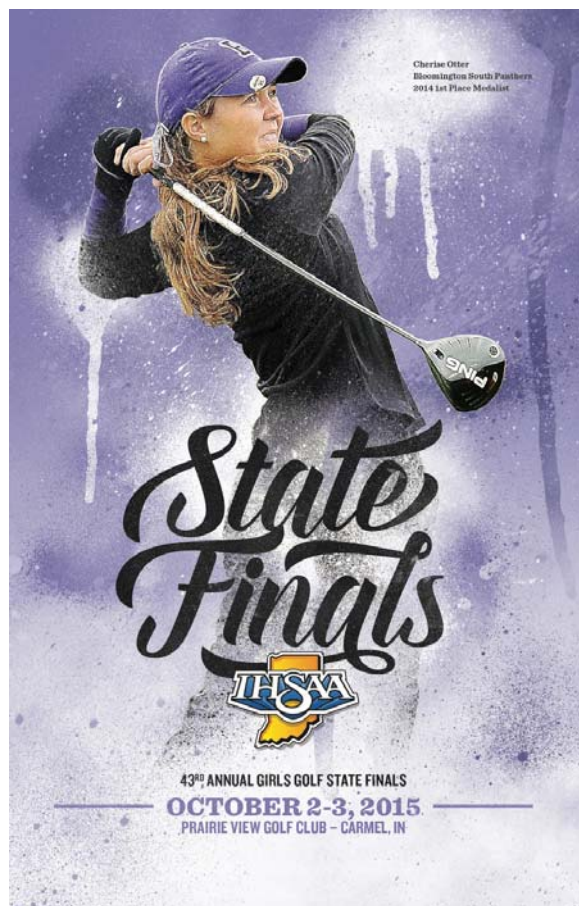

The defending team and individual state champions both return for a shot at more glory as the 43rd Annual IHSAA Girls Golf State Finals will be played at Prairie View Golf Club in Carmel beginning Friday.

All competitors will play 36 holes over the two-day event. A total of 15 teams have advanced five golfers each and 25 individuals have moved on without their squads for a total of 100 participants. Groups will be teeing off the 1st and 10th tees at 8:30 am ET / 7:30 am CT on Friday. The first round tee times and pairings are available [here](#).

Top-ranked and defending state champion Evansville North, which won its first girls golf title a year ago, leads a group of seven teams returning from last season. The Huskies boast four returnees from last year's five players, including No. 1 Emma Kieffer, who shot the state tournament's best score so far, a 65 during the sectional at Fendrich Golf Course in Evansville. The team also carded the state's third-lowest score in sectional history with its 292 that day.

Evansville North also won last weekend's regional tournament at Country Oaks in Montgomery with a 306, the fifth-best regional score in tournament history. In the last two years, the Huskies have posted two of the top five regional scores with last year's 295 ranking as the best regional score ever. This will be the fifth straight state finals appearance for the defending state champions.

Bloomington South's Cherise Otter (pictured, right) is the defending individual state champion and returns for what she hopes will be a repeat performance. This time Otter has a supporting cast with her as the Panthers qualified as a team for the first time since 2002. After firing a 71 in last weekend's regional at Country Oaks, Otter fell in a playoff to Evansville Memorial's Lauren Guiao. The Panthers placed second in the team standings.

In addition to Evansville North, No. 2 Westfield is the only other returning school to have won their tournament last weekend. The Shamrocks captured their first regional with the help of Cailyn Henderson's 70 which led that field of golfers at Smock Golf Course in Indianapolis. Henderson tied for runner-up honors at state a year ago. Adrienne Montalone proved she is capable as well finishing with a 70 during her sectional round two weeks ago. Westfield finished sixth in last year's state finals.

No. 3 Columbus North placed second to No. 5 Indianapolis Cathedral for regional honors at Edgewood on Saturday. The Bull Dogs also figure into that group of returning state finalists following a fifth place showing in 2014. The team has shot a 309 and 319, respectively, in the tournament play.

Cathedral qualified for state for the first time in four seasons and are led by Betsy Werner who shot a 70 in both her sectional and regional outings. She tied for 10th in this event a year ago with a two-round 155.

Fishers is making its very first state finals appearance as a team. The ninth-ranked Tigers shot a 323 good for the third place at the Lapel Regional held at Edgewood last Saturday. That was one shot better than cross-town rival Hamilton Southeastern for the final qualifying spot which also ended the Royals' string of 10 straight state finals appearances.

All are invited to view the progress of the state finals by visiting BirdieFire.com. The IHSAA will post the hole-by-hole scores for every player throughout the two days.

About the Indiana High School Athletic Association, Inc. (IHSAA)

The IHSAA is a voluntary, not-for-profit organization that is self-supporting without the use of tax monies. Since its founding in 1903, the Association's mission has been to provide wholesome, educational athletics for the secondary schools of Indiana. Its member high schools - public, institutional, parochial and private – pay no annual membership fee or incur entry fees to play in the Association's tournaments. A state tournament series is conducted annually in 21 sports, 10 for girls, 10 for boys and one co-ed (unified track and field). A 19-person board of directors, elected by member school principals, governs the organization.
