Top sportsmanship scores announced for schools

With the conclusion of the high school fall sports season, the IHSAA is pleased to announce the schools who have achieved the state's highest sportsmanship numbers.

Beginning this year, the Association is recognizing schools' sportsmanship and adherence to the principles of wholesome amateur athletics in this new way.

As part of the Association's continuing Sportsmanship/Leadership program, school administrators are able to monitor their score daily on the member schools-only myIHSAA website.

Those schools who have accumulated 100 points are recognized as "First Team All-Sportsmanship" and those with 95 points are recognized as "Honorable Mention All-Sportsmanship". These scores are based solely on deductions through the fall so it will not reflect the ongoing total sportsmanship score for a school if the school engaged in activities to earn points through the sportsmanship program.

Each member school begins the school year with 100 points. Points may be accumulated through teams completing an online NFHS Sportsmanship Course, parental meetings, student attendance at fall principals' meetings and other leadership opportunities and submitted exemplary sportsmanship reports to name a few.

Points are deducted by contest ejections of players, coaches, administrators, and fans.

"We want to acknowledge and congratulate those schools who have exemplified sportsmanship as indicated by their sportsmanship scores," says IHSAA Commissioner Paul Neidig. "We will be recognizing schools at the end of the winter and spring seasons as well and we hope this encourages schools to celebrate those programs in their school who show exemplary sportsmanship."

About the Indiana High School Athletic Association, Inc. (IHSAA)

The IHSAA is a voluntary, not-for-profit organization that is self-supporting without the use of tax monies. Since its founding in 1903, the Association's mission has been to provide wholesome, educational athletics for the secondary schools of Indiana. Its 409-member high schools - public, institutional, parochial, and private - pay no annual membership fee or incur entry fees to play in the Association's tournaments. A state tournament series is conducted annually in 24 sports, 11 for girls, 11 for boys and two co-eds (unified flag football, unified track and field). A 19-person board of directors, elected by member school principals, governs the organization.
