Corydon Central's Dana Beaven wins Patricia L. Roy Mental Attitude Award

Corydon Central High School senior forward Dana Beaven is the 2004-05 recipient of the IHSAA's Patricia L. Roy Mental Attitude Award for Class 3A.

Beaven led the Panthers to their first-ever state finals berth, averaging 17.3 points and 7.0 rebounds this season. Beaven has been selected to participate in the Reebok North/South All-Star Game and she is a Hoosier Basketball Magazine first-team all-state and Top 40 Workout participant. The Mid-Southern Conference MVP and Indiana High School Guide "Tremendous 26" selection was a Junior All-Star in 2004. She is a three-time team MVP who helped her 2004 Corydon Central squad to the regional finals. Beaven is a McDonald's All-America candidate who is a two-time "Athlete of the Year" for the Panthers. She also helped her AAU team qualify for the Nationals in 2004.

The versatile Beaven also plays volleyball and softball for Corydon Central.

Beaven ranks 36th in her senior class with a 3.13 cumulative grade point average. She is active in the Student Against Drunk Driving and she helps with "Biddy Ball" youth basketball and a youth volleyball camp.

"Dana demonstrates a dedication and total commitment to her school, not only through sports and academics, but also her extra-curricular activities," said Corydon Central principal Carole Shields. "She accepts responsibility and is a person I trust and admire. We are very fortunate to have her as a member of our school family. She is intelligent and hard-working and she carries a rigorous academic schedule."

Award recipients, nominated by their principals and coaches, must excel in mental attitude, scholarship, leadership, and athletic ability in basketball.

A member of the IHSAA Executive Staff beginning in 1972, Ms. Roy was responsible for girls basketball from the inception of the tournament series in 1976 until her retirement in 1999. Regarded both statewide and nationally as a pioneer in girls athletics, Roy served on the IHSAA Executive Staff longer than anyone in the history of the Association.

Farm Bureau Insurance, the IHSAA corporate partner, presented a \$1,000.00 scholarship to Corydon Central High School in the name of Dana Beaven.

Class 3A Game Quotes

South Bend St. Joseph's Coach Mike Megyese

"(Dana) Beaven had a great first half. I thought we did a nice job in the second half and Aimee (Litka) did a nice job on her. We switched defenses about three or four times and I thought it confused them a little bit. In the fourth quarter, we controlled the tempo a little bit better, got to the free throw line and did what we do best."

"This is a lot nicer than two years ago. I think we took over in the fourth quarter and thought (Dana) Beaven should have fouled out a little earlier. They are a totally different team without her. We were able to start switching around our defenses and that was the key down the stretch. I thought throughout the game we kept our poise and in the fourth quarter I think our experience took over, but give a lot of credit to Corydon Central, they played a great game."

"You look at this three-guard combo (Litka, Smallbone and Lechlitner) and I don't think there is any better in the state. They hit some big threes and can really run the offense."

On his seniors

"This is an unbelievable group. They really laid the foundation for our program since they were freshman. They said, 'Coach we are going to win a state championship,' unfortunately we got beat by Beech Grove that year, but they came back and look where we are now. They are great leaders... enough said."

23 Melissa Lechlitner

"In the first half, my shots were just not falling. Until about two minutes left in the second quarter, then they started to feel it, so I just kept ripping away and they fell for me. I'm really excited we won. It feels so great to finally be rewarded for all the hard work. This team never doubts each other for a second. We were in the locker room at halftime and knew we had not played well."

#31 Aimee Litka

"I was really trying to penetrate and drive to the basket. I knew if we played our game, whether it be driving or taking the open shot, everybody contributed. I've been in kind of a slump during the tournament. But in our last practice I told some of the girls, I feel good and I think the slump is gone. I knew I had to hit big shots in this game and it really felt good when they went in."

Corydon Central Coach Michael Uhl

"We played well and hung in there, but at the end, we couldn't handle their penetration. They hit some big shots, especially with (Melissa) Lechlitner on the perimeter."

"We played as well as we possibly could. Obviously, there at the end, things didn't quite go our way. St. Joe played well down the stretch."

"I'm not going to second-guess what we did defensively. We wanted to keep them on the perimeter, but they hit their threes and shot well from outside."

"We got into some foul trouble, but St. Joe is very talented offensively and that's why they lead the state in scoring. Down the stretch, they got some balls to roll in and we didn't."

"We executed on offense and shot the ball well, but give St. Joe all the credit. They are an incredible ball club. We hung for awhile, but we just didn't have enough at the end."
