Something Interesting About You Personally or Professionally That People Might Not Know:
Was only able to play high school baseball for two years because Central Catholic didn't get baseball until my junior year.
I am extremely honored for our team to represent all of the former Mustangs who have played for Edgewood High School over the years. Being able to represent the Ellettsville community has been an honor and privilege over the forty-four years I have been teaching and coaching within the Richland Bean Blossom Community School Corporation.
My brother, John Jones, taught and coached cross country at Mitchell High School for over forty years. The two of us together have over ninety years of teaching experience. My oldest son, Sam, works as a teacher and coach. My youngest son, Jade, works in higher education at the University of North Carolina at Pembroke.
Just retired from teaching (not coaching) at the end of the 2019 school year.
