EIGHT TEAMS AIM FOR BOYS BASKETBALL TITLES

A defending state champion, a six-time state finalist and six schools that have never traveled this far before comprise the field for the 89th Indiana High School Athletic Association Boys Basketball State Finals. The second multiple-class state tournament will culminate Saturday (March 27) at the RCA Dome in Indianapolis when four champions are crowned.

The field includes Lafayette Central Catholic, the inaugural Class A state champion and the only state finalist to return from the 1998 finals. Elkhart Central has reached the finals for the sixth time, while Tecumseh, Paoli, Westview, Muncie Southside, Plainfield and North Central of Indianapolis are here for the first time each.

Plainfield comes in with the field's best record at 25-1 and is the only top-ranked team to survive the first three weeks of tournament play. The Quakers, who are the first team in Hendricks County history to play in the boys basketball state finals, have won 10 straight since suffering their only loss of the season Feb. 6 at Lebanon. Paoli, riding a 12-game run, owns the field's longest winning streak.

Paoli, Muncie Southside and Elkhart Central weren't ranked in the season's final Associated Press media poll that is divided by classes. In the unified Indiana Basketball Coaches Association poll, Plainfield is the highest surviving team. The Quakers were No. 3 and North Central was No. 11. None of the other six state finalist teams were rated in the IBCA top 20.
