Team State Championship Results

From 2017 to 2024, the Indiana High School Girls Wrestling Coaches Association (IHSGWCA) conducted its own state tournament. In 2021, the Indiana High School Athletic Association (IHSAA) approved its Emerging Sports Process which was designed to help pave a way for participation to grow and flourish in a sport with an eye toward eventual recognition and sponsorship of an official state tournament. In 2022, girls wrestling was one of two sports added to the process (with boys volleyball). Two years later, the IHSAA Board of Directors approved both sports for full recognition and their own tournaments beginning in the 2024-25 school year.
